A Prayer to Share:

God,

I thank you for the family and friends you surround me with.

Thank you for another day to wake up and celebrate life.

Thank you for strength to play and food to nourish.

Most importantly, thank you for your love for me.

Amen.

Boccia Festival: The children have been practising for a while and this showed in their effort and performance at the festival. They did really well and represented the school brilliantly. Well done!

Year 6 Hindleap Warren: The children have been away this week on their residential and had a brilliant time. They really embraced the spirit of the trip, got stuck into all the activities and really grew over their time there, which is all we can ask. We hope they will have very fond memories, which they will remember for a long time to come! We are very proud of what they have achieved, as should their parents. To get a feel for what the week is about, especially our Year 5 parents, go to our Facebook page:

Reading Parent Meetings:

The purpose of the meeting is to explain how reading is taught throughout the school from the teaching of phonics in EYFS and KS1 to developing reading fluency skills throughout KS1 and KS2. We will explain the difference between being able to read fluently and understanding the text read and will give ideas and suggestions to support your child on their reading journey.

As this is such an important skill, this meeting is relevant to all year groups.

Safeguarding Questionnaire

If you have not yet completed this questionnaire, I would be grateful if you could make time to have a look and answer the 10 questions. It is important to understand your thoughts on this subject so that we can further improve our practice.

SMC Fireworks Night: The weather held out and it was a superb evening, with yet again a brilliant display by Sean from Star Fireworks, who attended SMC as a child. Thank you to everyone who came and supported this very important event that has become a real tradition at school. A huge thanks to all the PTA and people who helped organise, set up, run and clean up (it is often forgotten that people have to come in the next day to do this). Also to our local PCSO's who help us keep the pathway clear for the display. We hope everyone enjoyed it.

Regards,
